The Place for Ideas

B I G A

Design by Favaretto & Partners

Uno spazio all'interno di un altro. Biga è la seduta pensata per regalare un momento di privacy a chiunque ne abbia bisogno. La sua forma e maestosità raccontano un progetto fatto di coraggio, passione e immaginazione. La versione con schienale alto è stata studiata per ridurre al minimo il riverbero acustico, mentre quella a ruote è espressione di movimento, dinamicità e continua evoluzione.

A niche within a niche. Biga is a chair designed to offer moments of privacy to anyone in need. Its shape and masterful design are the result of a courageous design process fueled by passion and imagination. The version with a backrest was designed to reduce acoustic vibrations to a minimum, while the version on wheels is an expression of movement, dynamics and continuous evolution.
